Discussions:

- You are able to start discussions, or comment on others. They can be general comments, or job/promotional event related. Choose which one fits. Jobs and promotion postings will be moved under those headings automatically.

The screenshot shows a form for creating a discussion. It features a text input field with the placeholder text "Start a discussion or share something with the group..." and a character count of 200. Below this is a larger text input field with the placeholder text "Add more details...(optional)". At the bottom, there are radio buttons for "Discussion type" with options: "General" (selected), "Job", and "Promotion". A "Share" button is located at the bottom right of the form.
