1. Welcome and introductions

Members were welcomed.

2. Debrief about general goals of sub-committee

Members agreed to conduct preliminary scan regarding barriers, issues, and success stories of newcomers pursuing accreditation and licensing in the city. Findings will inform the goals that we present to the Fairness Commissioner.

ACTION: ALL MEMBERS agreed to reach out to the following organizations to learn about barriers, issues, and success stories of accreditation and licensing for professions and trades. ****MEMBERS** to send collected information (e.g. documents, interview notes, etc.) to Angelica. **ANGELICA** will compile information.

- OCASI (Paulina)
Higher Immigrants (Dilya)
- CASIP (Melissa)
- University of Toronto (Angelica)
- Global Experience Ontario (Pam)
- Access Employment (Melissa)
- Professional Immigration Networks (Dilya and Melissa)

- Doctors group (Melissa); Architects and other groups (Dilya)
- John Cartwright at labour council (Tim)

Members also agreed to contact the following organizations at a later stage to see if they are aware of the issues, barriers, and success that we will uncover during the scanning stage:

- TES
- Employment Ontario agencies

ACTION: ANGELICA will follow up with Shaunna re: reaching out to Fairness Commissioner.

3. Discussion with Collective Impact Coach from Innoweave

Sally Fazal presented an overview of the process necessary for creating outcome goals and preparing a clear model of the integrated efforts required to achieve these goals.

Members agreed to move forward with Sally to develop our ideas for population level impact and our theory of change. Members will still move forward with the sector scan (as listed in Agenda item 2). Members will do preliminary research parallel to the Collective Impact Development process with Sally.

ACTION: ANGELICA will send Doodle poll to schedule next meeting with Sally.

4. Any other business

None.

5. Next meeting

To be determined via Doodle Poll.

6. Adjournment

11 a.m.
