

Community of Practice

*Turning conversations
into collaboration*

Community of Practice

For the settlement sector

- ❑ A response to the often isolated front-line service worker; to support collaborative projects and encourage inter-agency relationships.
- ❑ A critical resource for professionals who want and need recommendations, shared best practices, and collective learning from their colleagues who serve newcomers in the Toronto South area.

1. Create account or login
2. Search “Toronto South Local Immigration Partnership”
3. Click “Join” button

How to make this awesome!

- **Problem solving**
- **Requests for information**
- **Seeking experience**
- **Reusing assets**
- **Coordination & synergy**
- **Discussing policy & impacts**
- **Mapping knowledge and identifying gaps**
- “Can we brainstorm some ideas on this?”
- “Does anyone provide services for this population?”
- “Has anyone dealt with this situation before?”
- “I have a presentation on this topic you can use.”
- “We’re looking for a partner on this project.”
- “What does this mean for our clients?”
- “I’ve noticed there are no programs for this in the area.”
